Area Overview

Located in the northwest suburbs of San Antonio, the Drury Inn & Suites is just minutes from the South Texas Medical Center. While at the hotel, guests can enjoy free wireless Internet, Drury's free 5:30 Kickback®, free popcorn and soda in the lobby and our patented free Hot Breakfast. We believe "hot" means Belgian waffles, biscuits & gravy, scrambled eggs and sausage— not bread and a toaster. With all of this free stuff, you might be tempted to stay in and live off the bountiful extras of Drury. But don't forget about the rest of the city.

San Antonio is home to Sea World, the Alamo, the River Walk, Six Flags-Fiesta Texas and the AT&T Center. With so many great attractions, you might not have time to visit all of them during one stay. But don't fret over making the right decision regarding your afternoon plans. Wherever you decide to go, the Drury team doubts you'll be disappointed.
