

The University of Texas Health Science Center at San Antonio
Comprehensive Dentistry Department

The Department of Comprehensive Dentistry at the University of Texas Health Science Center at San Antonio is presently conducting a search to fill a full-time faculty position in Radiology. The department is responsible for pre-doctoral and graduate education, research, patient care and service. Specific responsibilities will include instruction for dental students and Oral and Maxillofacial Radiology residents, research and image interpretation. Candidates should have a DMD/DDS degree or its equivalent and advanced training in Oral and Maxillofacial Radiology with eligibility for and/or certification by the American Board of Oral and Maxillofacial Radiology. Board certification is preferred. Salary is commensurate with qualifications and experience. Please send Letter of Interest and Curriculum Vitae to:
