Comprehensive Dentistry

The Department of Comprehensive Dentistry at the University of Texas Health Science Center at San Antonio is seeking applications for a full time tenure track faculty position. Applicants must have a D.D.S., or D.M.D., and a PhD in one of the basic sciences. Responsibilities will be divided between the clinical teaching of third and fourth year dental students and participating in a translational research program in oral medicine focused on trigeminal pain and/or oral cancer. Extensive broad-based general dentistry clinical experience and a strong background in basic research including experience as a post-doctoral research fellow is preferred. The search will remain open until the position is filled. Interested persons should submit a letter of interest and current curriculum vitae to: Dr. Spencer Redding, Chairman, Department of Comprehensive Dentistry, Mail Code 7914, The University of Texas Health Science Center, 7703 Floyd Curl Drive, San Antonio, TX 78229-3900. All faculty appointments are designated as security sensitive positions. The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer.
