Department of Comprehensive Dentistry

The Department of Comprehensive Dentistry at the University of Texas Health Science Center, School of Dentistry at San Antonio is seeking applications for two (2) full time clinical track faculty positions. Applicants must have a D.D.S. or D.M.D. and the completion of an AEGD or GPR program is preferred. The individual selected for this position must be broadly competent in a wide range of general dentistry skills as they will supervise junior and senior dental students in our general dentistry focused curriculum. Please send electronic documents of your complete curriculum vitae and a list of references to dykes@uthscsa.edu. All faculty appointments are designated as security sensitive positions. The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities.
