The UTHSCSA School of Dentistry invites applications for an Assistant Professor in Pediatric Dentistry in the Department of Developmental Dentistry. The position is responsible for pre-doctoral and postdoctoral, and didactic and clinical instruction within the Division of Pediatric Dentistry. Applicants must be board eligible or certified in pediatric dentistry and possess requisites for Texas licensure. Opportunities are available for participation in an intramural faculty practice plan and pursuit of research interest. Applicants should submit a letter of interest and curriculum vitae via email to (arguijop@uthscsa.edu) or surface mail Department of Developmental Dentistry, 7703 Floyd Curl Drive (MSC 7788), San Antonio, TX 78229. All faculty appointments are designated as security sensitive positions. The University of Texas Health Science Center at San Antonio is an equal opportunity/affirmative action employer including protected veterans and persons with disabilities.
