

The University of Texas System Office of Federal Relations

In Conjunction with

The University of Texas at Dallas
The University of Texas at Arlington
The University of Texas Southwestern Medical Center

Presents

National Institutes of Health Grants Workshop

Friday, October 16, 2009
9:00 am - 4:00 pm

The University of Texas at Dallas
Richardson, TX

Please join us for the 2009 UT System NIH grants workshop. NIH staff will be present to discuss best practices for conducting business with their institutes, the technical processes of their granting offices, and research funding opportunities available to UT faculty and staff.

The workshop is open to faculty and staff from UT System institutions, non-UT System institutions, and the public. To register, visit:
<http://utsystem.edu/ofr/registration.htm>

For information, contact:

Amit Patel, Coordinator for Federal Relations
The University of Texas System Office of Federal Relations
