MESSAGE SENT ON BEHALF OF

Dr. Bjorn Steffensen
Associate Dean for Research – Dental School
<http://dental.uthscsa.edu/research/>

Dear Colleagues:

It appears that Dr. Herman, VP for Research, is considering or has decided to increase the RSPI for research space from \$350/sq. ft. to \$500/sq. ft.

This modification apparently is in the response to/context of the assignment of research space and the move of researchers to the new research building.

I recommend that you attend the Townhall meeting that will be held regarding this issue on June 1 at 4 pm in Rm 309L. Once we have the details of Dr. Herman's proposal, we can consider how to approach the issue from a Dental School stand point.

Best regards,

Bjorn Steffensen, DDS, MS, PhD
Office of the Dental Dean
