Subject: NCI workshop registration site is "live"

Drs. Mien-Chie Hung and Dihua Yu of M.D. Anderson Cancer Center, teaming up with the faculty of Methodist Hospital, have jointly invited an NCI team to visit Houston to give a grant workshop "NCI Workshop for the Southeastern Texas on Grantsmanship." Dr. Yu asked me to forward this information to you, hoping you could encourage your colleagues to participate and register soon.

This workshop will take place on February 11, 2013 (Monday), 8:00 am – 5:10 pm at MD Anderson (Mid-Campus Building.) Complimentary (free) registration, parking as well as lunch will be provided.

Please see attached agenda and flyer for more information.

To participate, online registration www.mdanderson.org/basicsci is required. We have received >200 registrations within 1 day since registration was open (max. accommodation is 300 people)! We hope our friends at The University of Health Science Center at San Antonio will not miss this great opportunity.

Best regards,

Irene Shih
