Subject: JUST RELEASED! FY 2013 DOD BCRP Program Announcement

The Fiscal Year 2013 (FY13) Defense Appropriations Act provides research funding for the peer reviewed programs managed by the Department of Defense (DOD) office of Congressionally Directed Medical Research Programs (CDMRP).

This e-mail is to notify the research community that the Breast Cancer Research Program just released a second Program Announcement for the FY13 Breakthrough Award.

Detailed descriptions of the funding opportunity, evaluation criteria, and submission requirements can be found in the Program Announcement. The Program Announcement is available electronically for downloading from the Grants.gov website (<http://www.grants.gov>), and will be available within 48 hours on the CDMRP website (<http://cdmrp.army.mil/funding/prgdefault.shtml>) and the CDMRP eReceipt System (<https://cdmrp.org>).

All current and previous funding opportunities are available on the CDMRP website (<http://cdmrp.army.mil>).

Subsequent notifications will be sent when additional funding opportunities are released. A listing of all CDMRP funding opportunities can be obtained on the Grants.gov website by performing a basic search using CFDA Number 12.420.
